Toyota Camry 1989 | eBay

A Toyota service manual is an essential tool for owners to service and repair their Toyota cars, trucks and SUVs at home. Toyota is best known in the United States for it ' s line of economical cars and trucks. Entering the American market in 1957, Toyota was well positioned to take advantage of the fuel crisis that emerged in the early 1970 ' s by offering a high-quality, low cost car that ...

Workshop Manuals

The 1989 Toyota Camry was mostly unchanged from the previous year, when Toyota introduced a new engine option: a 2.5-liter V6 with 153 horsepower and double-overhead cams. The 2.0-liter four-cylinder engine was still available as well. The only change for the '89 Camry was that the All Trac all wheel drive system became available in with the automatic transmission as well as the manual.
