Teachers can help students increase vocabulary by including powerful, difficult words in their oral language while they teach, and encouraging students to use those words in their speaking and writing. Read, Read, Read. The single most effective way of helping students build vocabulary is by increasing the amount that they read. Researchers have found that students who read just 10 minutes a day outside of school demonstrate significantly higher rates of vocabulary growth than students who ...

Building Vocabulary for College by R Kent Smith - Alibris

This eighth grade vocabulary list was built from an analysis of difficult words that appear in basal readers and other books commonly taught in the 8th grade. Those words were then analyzed to see how often they appeared on English Language Arts state tests given in the eighth, ninth and tenth grades.
