ABOUT | LA BATARDE

A bestseller in France at its first publication, Violette Leduc's autobiographical La batarde is an oft-overlooked classic of feminist literature. Famous for its frank discussions of sex and sexuality, its incredibly intricate characterizations, and its protagonist totally devoted to her own queer desire, the book never made a splash in the US, and was out of print for decades.

Foreword to Violette Leduc's La Bâtarde - The New Inquiry

La Bâtarde est un roman dérangeant. Autobiographique, il relate sans concession l'enfance, l'adolescence et la vie d'adulte de Violette Leduc, fille puis femme au physique ingrat, au nez prédominant. Le roman tourne autour du thème de la honte, de la mesquinerie, la jalousie, mais parle également de souffrance, d'écriture, d'amitié et d'amour.

La Batarde by Leduc, Violette

If so, they would have good reason to think they have ...
