Philosophy, personal or collective attitude, refusing to legitimate violence and promoting the respect of others in conflicts. Mahatma Gandhi, often considered a founder of the modern nonviolence movement, spread the concept of ahimsa through his movements and writings, which then inspired other nonviolent activists.

### **Nonviolence - Wikipedia**

Dalton situates Gandhi within the "clash of civilizations" debate, identifying the implications of his work on continuing nonviolent protests. He also extensively reviews Gandhian studies and adds a detailed chronology of events in Gandhi's life.

### **Mahatma Gandhi | Columbia University Press**

This is what Gandhi and King teach us. This is what their fate forces us to conclude: they were threats to social and political orders based on injustice and violence. Their nonviolence and messages of freedom and love forced change, not only in external laws and systems of governance, but in the minds of men and women.
